Excerpt from the *Guide to Judiciary Policy*, Vol. 3, Ch. 4, § 420.30.20

- (d) Restriction on Merit Selection Panel Members
 - (1) In order for a former merit selection panel member to be considered for a magistrate judge position, one year must have elapsed between the application deadline for the position and the earlier of:
 - (A) The date when the panel on which the former member served submitted its report to the court, or
 - (B) The date when the former member resigned from the panel.
 - (2) This restriction applies to a former member of a merit selection panel for the appointment or reappointment of a U.S. magistrate judge.
 - (3) The Judicial Conference Committee on the Administration of the Magistrate Judges System (Magistrate Judges Committee) is authorized to grant waivers to this provision on an individual case basis.
 - (A) Requests for waivers should be submitted to the Magistrate Judges Committee by the chair of the merit selection panel that is recommending candidates for the magistrate judge position for which the former panel member seeks to apply.
 - (B) In its evaluation of a request for a waiver, the Magistrate Judges Committee may consider any factor it deems relevant, including, but not limited to:
 - (i) the foreseeability of a subsequent magistrate judge position at the time of the former merit selection panel member's service on the panel;
 - (ii) the size of the applicant pool for the subsequent position;
 - (iii) whether the panel member served on a standing panel;
 - (iv) whether a waiver would advance the goal of achieving diversity in the applicant pool; and
 - (v) any geographical concerns.
